Big parade day, bring your boats out and show your pride in **SYC**

Stockton Yacht Club sponsors this event every year, be a part of your club's tradition

## April 7, 2018

# CAESAR'S PALACE

## IN ANCIENT ROME

This year's theme reflects Roman times, that should be an easy costume!

**Toga Toga Toga**  
**Toga Toga Toga**

**Awards for best decorated boats and best costumed crews**

**A good reason to decorate, but undecorated boats are just as welcome in the parade.**

**Invite a club member, bring a friend, maybe some extended family or maybe someone you've been promising to take out for a boat ride.**

This parade is once again, chaired by your **Proud SYC Members**, Donald and Jorja. You know they like a good turn out and will search you out for your commitment to the event. So just get signed up and avoid the constant pestering you know is coming.
