

Commodore Dave Rose

The Sea Ray Boat Club once again cruised in for the Halloween weekend with a record 32 boats. Friday night, Ray and Tomi Forest made homemade chili in a bread bowl. On Saturday, Paul and Carolyn Rioux and Dave and Michelle Rader did a super job overseeing all the decorating and cooking. It was fantastic! There were many clever and unique costumes and four skits. Sea Ray donated big baskets for all the winners. Sunday morning, Sharon Page and her girls once again cooked breakfast for us. There were big crowds at the meals, and I really appreciate all of you for your time and effort.

The Sea Ray Boat Club always brings us a nice gift that is selected by the Commodore. This year, I asked for them to donate the money to the Sea Scouts in the name of Stockton Yacht Club. Thank you Sea Ray Boat Club for your generosity.

One member of the Sea Ray Boat Club took lots of still pictures and a video of the skits and put them on a DVD. He was thoughtful enough to send us a few copies. If you would like to see the DVD let me know, and we'll make arrangements to get one to you.

Our Port Captain, Walt Haws, held a Work Party on November 4th. Thank you Walt and all his helpers for doing such a fine job to keep our Club in top-notch condition.

Onrust, with Darlene at the helm, had their Annual Auction Nite on November 11th. We had dinner and after we all had fun bidding on the many baskets and items that were available.

Phyllis and I are looking forward to December and a few more functions before year's end and seeing you at the Club.

Vice Commodore Ray Forest

Oh Baby, it's cold outside, but it's warm at the Club. We start the month with a potluck on Friday, December 1st. The next day is the Annual Lighted Boat Parade.

Be sure and mark your calendar for Saturday, December 9th for the Annual Christmas Ball hosted by Onrust. The following day is the Family Christmas Party.

Don't miss New Years Eve on Sunday, December 31st. The next day is the Vice Commodore's Breakfast. Last, but not least, one of my favorite events – the BBQ Oysters at 1:30 p.m. hosted by Jim and Jeanne Kopshever.

I would like to take this opportunity to thank everyone for a wonderful year. I am looking forward to serving as your Commodore for 2007. I am confident that Tomi will make me look good.

Rear Commodore Norm Gaedtke

Wow! We are almost done with 2006! Just a few more events, and we can move on. Make sure you come on out to the Club and celebrate a great year. For those of you attending the last few events, I hope you noticed the sparkling clean glasses. We can thank Darlene Bren for that. She noticed the automatic dishwasher did not seem to make them sparkle and hand washed the entire inventory of bar glasses. That must have been a good time. Thank you Darlene. Now that is a committed, involved Club member.

As long as I am on the subject of thanking folks, I would like to thank Paul Clausen and Russ Nodder for helping Sandy and me bartend at the Sea Ray cruise-in.

I hope to see you all at the next event!

Port Captain Walter Haws

During the Halloween weekend we docked more boats than I could count. Thank you to the members who helped out. We were sure scattered from one end of the docks to the other.

Our Special Work Party on November 4th proved to be quite successful. I was surprised at the turnout we had since it was a last minute plan and we had the threat of rain. We managed to trim trees and shrubs, repair and paint docks, rebuild the south wall of the East Shed from the guest dock to the 50' shed. We even did some work on the horseshoe pits.

I would be remiss if I didn't thank all the members who supported me during the last two years as your Port Captain.

Delta Fleet Captain Jeanne Kopshever

As of this writing, I have nothing new to report for this month's Bulletin, except our last cruise out is to Village West November 18th.

This means you will have to wait patiently to hear who the winners are for the hors d'oeuvres contest. I can tell you this - we have 23 boats signed up for our last voyage. I am truly impressed. This will be a fun time, and hopefully the weather will hold out and a great time for all.

Until next issue, play hard and be safe.
