

Commodore Dave Rose

During the weekend of August 19th, Diablo Power Squadron came in to join us. Thank you to the Webster's and Sutton's for putting on a fantastic dinner. After dinner we danced the night away. Some say I lit up the dance floor with my new bright, white tennis shoes! Thank you also to the Gaedtke's for keeping our tummies full at breakfast.

NCPCA "raced" in to visit us on August 26th. Our very own Jim Fenelon won third place! Congratulations, Jim. For dinner, Frieda Costa prepared her famous Fantastic Ribs and Portuguese Beans. After dinner Frieda announced that after 30 years of cooking meals for our Club, she is going to retire her apron. Thank you, Frieda, for so many years of dedication to the Club.

After dinner Ron Malmquist presented the Fourth Annual Flag Retirement Ceremony. I can't thank Ron enough for once again bringing this special event to the Stockton Yacht Club. The following morning Jim Fenelon prepared breakfast for us. It was great. Thanks Jim!

Caliente Yacht Club has been cruising in to Stockton Yacht Club every Labor Day weekend for the last 25+ years, and we welcomed them once again. The weekend started Friday night around 'Elvis' in the house. We all enjoyed a "rocking out" show. The Gaedtke's cooked a terrific chicken dinner and did an excellent job handling the big crowd. Dean Baker and Barbi Carson handled the busy bar. Dean and JoAnn Baker ran the raffle. Thank you to all!

Saturday night Jo Foley got the troops together and we had a really tasty tri-tip dinner. Jo has been putting on dinners for many, many years

and we really appreciate all she's done. After dinner we danced the night away to DJ Dallas Knapp.

My hat is off to Sharon Page who, with "her girls," cooked breakfast not once, but twice for us this weekend. It was so good that Caliente asked her to please do it again for them next year. Now that's quite a compliment!

On September 8th, we welcomed Bridge Marina Yacht Club, and Ida and Harley Handel served a different and delicious dinner. Thank you Ida and Harley. We played a Rubik's Cube game that was won by a Bridge Marina Yacht Club table. After dinner and the game, we enjoyed visiting and listening to music from the jukebox.

Saturday night was Monte Carlo Night hosted by Onrust with Darlene Bren at the helm. It appeared to be a successful evening. Please see Darlene's article for a full report.

The weekend ended with Pete and Renee Yager cooking us a tasty breakfast. I understand Pete made those hash browns from scratch and they sure were good.

Before the General Meeting, the Webster's and Sutton's served us a salmon dinner. Thank you guys once again for a great meal.

The next day was September's cruise-out to "Irish Island." Everyone had a great time and great meals. Thank you, Jeanne, for putting together another fun weekend.

Now we can look forward to October and more good times.

Looking forward to seeing you at the Club!

Vice Commodore Ray Forest

Fall is in the air. As always, October will be a fun month at the Club.

The first event at the Club will be the Tower Park cruise-in on October 14th. Dinner will be hosted by Barbara and John Wesley. The following morning breakfast will be served by Diana and Larry Welch and Marlene and Bob Spoor.

The Sea Ray Boat Club will be joining us on Friday the 27th. It will be Tomi's and my pleasure to serve you. Saturday night the 28th is one of the highlights of the year at Stockton Yacht Club. The members of Sea Ray Boat Club always do a great job participating. Carolyn and Paul Rioux and Michelle and Dave Rader will host the Halloween dinner. Guaranteed a fun time will be had by all.

Looking forward to seeing you there.

Rear Commodore Norm Gaedtke

First, I want to thank Dean Baker and Barbi Carson for bartending during Sandy's dinner on September 1st. As you all know, Sandy needed my expertise in the galley that night. We have had a very busy month in September with three very successful cruise-ins. The visiting clubs gave us many compliments on

our Clubhouse, grounds and hospitality. Each one of the clubs expressed a great interest in returning, and we would love to have them back. I also received my first e-mail on the Stockton Yacht Club website from Caliente Island Yacht Club inviting us to pick a date to come to their club. I hope we do, as it is a fun club and nice people.

By the time you read this, we will have been to the Island and on the Annual Bay Cruise. I'm looking forward to both. Be sure to sign-up for the dinner on October 14th and breakfast on the 15th. Tower Park Yacht Club is cruising in and it should be a lot of fun.

The Sea Ray Boat Club is cruising in; we have events on the 27th, 28th and 29th. This is always a big success. We are getting to the end of the year, so let's whoop it up these last few months.

During the last month, a security gate was installed at the guest dock. Please remember you will need your Club key to enter the Club grounds from the guest dock.

All the debris from last winter storms has been removed from under the Diversion Dock. This includes two 40' trees and the remains of a wrecked houseboat.

Who says you need electricity to have a good time on a cruise-out? The main ingredients for a FABULOUS time are: great weather, good food, liquid refreshments, and GREAT camaraderie. That is exactly what we had on our cruise-out to Irish Island. What fun we all had.

The gals played Cranium and enjoyed a laugh or two, while the boys did what they usually do, sit and sip. Thanks Diane for bringing along your game.

Our refreshments were just perfect for this Island environment. Big thanks go to Mary and Don Garcia for supplying the Margarita machine and fixings. What a kick it was watching the liquid turn into icy slush. This might be something to consider buying for our Club bar. Onrust are you listening?

I would also like to thank Frieda Costa for making her famous beans, Joan Malmquist for preparing the bread and Diana Welch for supplying the dessert. You ladies never let me down.

The last, of course, would be a round of applause to the Irish Island owners for making us feel welcome. They did a great job turning that ravished island from the previous vicious winter's wrath to a warm and cozy environment, down to flowers on the tables and bar area. Brens, Greys, Haws and Malmquist, I salute you!

Our last cruise-out of the year will be on November 18th to Village West. This is a favorite to most. You won't want to miss this one. It is close to home, and everyone needs to

eat. If you don't come by boat you can always drive in. Check out the flyer for more details.

ONRUST

I would like to sincerely THANK all of YOU who participated in any way to the success of the Monte Carlo Night. All of the donations, either cash, food or auction items, were very much appreciated. It takes a TEAM to put a night like this together, and I certainly want each of you to know that you are very much appreciated. Everyone had a great time. Ron Malmquist was the top gambler, and Tomi Forest won second. It was all fun. If we have this event again, I will suggest a Texas Hold 'Em table or two. That game really excited everyone.

Our next event will be the Autumn Auction on November 11th. We hope to see all of you at that event. It is always lots of fun especially when couples get caught up in the excitement of it all and end up bidding against each other. Once again, we are asking for donations to make that a successful event. We have some items we can use, but we can always use more to maximize our success. One thing we really need is baskets. Onrust uses a lot of baskets and we are very low on our supply. If you should have an extra basket or two, please bring them to the Club and/or put them in the Onrust shed and let me know they are there.

November is a busy month for Onrust as we decorate the Club for the holidays on the Saturday following Thanksgiving. The more elves we have, the better. Don't forget, Commodore Rose will furnish the eggnog along with a little libation to go along with it. You will enjoy the fun of it all, so please plan to join us.

See you at the Club.
Darlene Bren, President

HAVE YOU REALLY THOUGHT ABOUT THIS???

(Courtesy of Pittsburg Yacht Club)

Next time you come home for the night and you go to put your keys away, think of this. It's a security alarm system that you probably already have and requires no installation.

Start keeping your car keys next to your bed on the nightstand when you go to bed at night. If you think someone is trying to get into your house, or if you hear a noise outside your house, just press the panic alarm on your car key chain. Test it!! It will go off from most everywhere inside your house and will keep honking until your battery runs down or until you reset it with the button on the key fob chain. It works if you park in your driveway or garage.

If your car alarm goes off when someone is trying to break in your house, odds are the burglar or rapist won't stick around, after a few seconds all the neighbors will be looking out their windows to see who is out there and sure enough the criminal won't want that. Try

yours to make sure it works before you rely on it. Just know that you must press the alarm button again to turn it off.

Remember to carry your keys while walking to your car in a parking lot. The alarm can work the same way there.

This is something that should really be shared with everyone. Maybe it could save a life or a sexual abuse crime.

SUNSHINE

Karen Dickinson has been undergoing lots of medical tests, and is doing remarkably well.

Jo Foley, our Sunshine Lady, could use a little sunshine. She has also been undergoing several medical tests.

Our thoughts and prayers are out to Ben Alley. He recently lost his father.

As most of you know, our illustrious Commodore's wife is still undergoing tests. I know there must be a cure for migraines!

NCPCA RACE
August 26, 2006

Congratulations to Jim Fenelon who won third place for being only 23 seconds off on a two and one-half hour run.

Why is it handy to have these coins in your pocket?

Three quarters, one dime, two nickels and four pennies?

????????????????????

(The answer is elsewhere in the Bulletin.)
