

Commodore Dave Rose

On November 17th, we had a potluck before our last cruise-out of the year. We didn't have a lot of people in attendance, but we sure had a lot of food and a good time.

Then it was off to Village West. The weather really cooperated. We had a record number of boats and people. I want to once again thank Jeanne Kopshever for being our Delta Fleet Captain this year. We visited some great places and had lots of fun. Good job!

We had 98 people in attendance for the Thanksgiving meal. Jim and Darlene Bren really know how to put this dinner together. (With just a little bit of help from the Rose's and Rader's.)

On Saturday, November 25th, it was time to decorate the Clubhouse for Christmas. Under Bess Farmer's guidance and lots of hard work from quite a few members, the Clubhouse is once again transformed into a brightly lit and decorated beauty. Thank you to all who came, helped and shared a little eggnog with me.

We had a potluck on December 1st to help kick off the Holiday Season and get ready for the Lighted Boat Parade.

It was a cold, crisp night but the lights were shining bright as the boats made their way through the parade. There were hundreds of people lining the shore to get a closer look. Congratulation to the Raders and the Forests. *FantaSea* won 1st Place for Special Effects and *Tomie K* won 1st Place for Best Lighted. Thanks to the Gaedtke's, we were able to warm up with yummy soup and salad after we made our way back to the Club.

Onrust had their annual Christmas Ball on December 9th. It was a beautiful event with

good food and music. Thank you to Pat Tighe and all those involved in organizing this event.

The next day, Pat Tighe had a Christmas party for the children. Santa was on hand and the kids all seemed to have a great time.

I want to give a special recognition to our PICYA Delegates, Mike Billington, Bev Hanley, and Dedrick Denison for 14 years of perfect attendance at their meetings. That is quite an accomplishment and my hat is off to you. I have received an award on their behalf, and I will see that it gets hung on the wall in the Clubhouse.

We had a record number of new memberships this year – 22!! When you see new members at the Club, please introduce yourself and help them feel welcome. To the new members, I urge you to get involved. It really is lots of fun. Thank you to our members who helped bring this new blood into our Club.

There are so many people that came out and supported me this year. I can't tell you how much I appreciate everyone's help and guidance along the way. Our members are very special people, and I couldn't have had such a successful year without all of you.

And now it's time to sign off as your Commodore for 2006. It was a great ride, and I hope you all had as much fun as I did!

COMMODORE-ELECT RAY FOREST

CHAIRMAN. IF ANYONE IS
INTERESTED, PLEASE CALL HIM
AT (209) 606-2558.

Vice Commodore Ray Forest

Well, 2006 is in the books. I think history will show that it was a very successful year, thanks in no small part, to the leadership of Commodore Rose. I would also like to acknowledge the excellent job of Rear Commodore Norm Gaedtke.

Let's have a look at the agenda for January 2007. Starting with January 1st, we have the Vice Commodore's breakfast, followed by BBQ oysters hosted by the Kopshevers.

Saturday, January 13th will be Change of Watch. It will be my pleasure to host the bar during the cocktail hour.

Saturday, January 20th, Tomi and I will host the poverty dinner. The following weekend, we will have our 19th Annual Crab Feed. Your check is your reservation, so please send it in soon. This event always sells out. There will also be a raffle so, if anyone has large baskets they would like to donate, please call Tomi at (209) 606-2558, and she will fill them up.

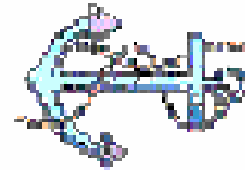

LET'S ALL HAVE A GREAT TIME AT THE CLUB IN 2007! See you at the Club.

Rear Commodore Norm Gaedtke

We are down to the last month of Rear Commodore duties. I no longer will be required to be the first one at the bar and the last one to leave. Now I can do that without being required. I hope my liver will recover. I would really like to thank all of the members who helped me over this past year. Of course, I

must thank Sandy. She really made this year a whole lot easier than it might have been. The time went by quickly and thank you to all the members who made this an enjoyable busy year. I look forward to seeing you all in 2007.

Delta Fleet Captain Jeanne Kopshever

WOW! What can I say? Our last cruise-out to Village West was a wonderful way to end the season.

We had a total of 19 boats. Ten actually cruised up the river with the Fleet and the rest were already docked and waiting (impatiently I might say) for the party to start. Six couples joined us by car.

I am not sure we could have put another boat in, but with the expert help I received, maybe we could have found a hole somewhere to fit one more. My hat goes out to Larry and Walter for their hard work in getting us all in place. I'm sure a cocktail or two was involved in the planning. Thank you both. Thanks also to Dave and Phyllis Rose for playing the part of Bill Wilson in providing Bloody Marys in our hands when we landed. What a great job you did. Bill, you could be replaced?

When it was time for Happy Hour, we had a "Heavy Hors d'oeuvres" contest. This was a sight to see. We had three tables set up and had to add a fourth. Such participation was great to see but I realized that in the presentation

category you had to get there early to vote or you were out of luck. The prizes went to:

Best Italian

Paula Lemasney - Presentation
Mary Garcia - Taste

Best Mexican

Nena Rich - Presentation
Nena Rich - Taste

Best American

Barbi Carson - Presentation
Ron Malmquist - Taste

Thanks to all the wonderful people who played the games and for being such great sports. We had a great time and the weather held out for us all day but turned damp by nightfall. Lights were out early that night - why I don't know?

Since this was the last cruise out for 2006 and my last article for the Bulletin, I would like to say a couple of things.

It has been a pleasure being your Delta Fleet Captain this year. Participation has been incredible. I hope everyone enjoyed this year as much as I did. It takes a lot of time and energy to put cruises together. Without help along the way, I would have failed miserably.

Thank you Jim, for getting the Jeanne-Lu to our destinations. The first cruise out to Ebony was a challenge but you prevailed

Thanks to Larry Welch and Walt Haws for expert-docking details and assistance.

Thanks to the gang that owns "Irish Island" and lastly to Mr. Ron Malmquist for his devotion to the mystery cruise. Dreams do come true, Sir.

ONRUST

Thank you to all who attended the Autumn Auction and made it a SUCCESS. We had lots of great things donated by the members and we had a lot of FUN as usual during the auction. It's always interesting to watch Ron & Joan Malmquist. Joan bids vigorously and Ron is trying not to acknowledge her bid... and no matter how Joan disguises her voice from behind her "pile of treasures" Ron knows. Again, on behalf of Onrust, I would like to take this opportunity to thank everyone for their part in the success. There were cash donations and donations of the food for the dinner, and we appreciate all of them.

On December 9th, we hosted the Christmas Ball. Everyone seemed to have a great time. Please take every opportunity to visit the Club during the Holidays as it is even more beautiful with all of the decorations.

Yes, on New Year's Day immediately after breakfast, the decorations will need to come down. We would appreciate all the elves that stay after breakfast to come and help.

See you at the Club.

Hi Everyone!

I just want to thank some of our very special Club members for their hard work that made our Christmas Party so wonderful. Jim and Darlene Bren prepared the delicious appetizers. Phil Bronner gift-wrapped many of the beautiful gift boxes by the fireplace. Phyllis Harris went shopping with me and helped design the centerpieces. Myrna Bronner hand painted the ornaments with the Christmas trees and gave them as gifts to our guests. Eva

Hodges helped me set the tables. Thank you Eva. Bess Farmer brought and designed the beautiful flower arrangements on the cabinet by the Club entrance and helped Darlene with the lovely centerpiece on the banquet table. A special thank you to our wonderful Henry McKay for being our Santa Claus and also for going out and purchasing the authentic red suit!!!

I just want to say we have the best Club and the best members.

Affectionately, Pat Tighe

This year, I have the honor and pleasure of participating in the Muscular Dystrophy Association (MDA), Stockton Lock Up, to help "Jerry's Kids." I would like to add you to my list of contributors who are helping me reach my goal. Your donation could help MDA continue the important fight against muscular dystrophy. I have a web page where you will find all kinds of information about MDA. You will also be able to make your tax-deductible donation on line using your credit card.

MDA serves people in our community with neuromuscular disease by providing clinics, support groups, assistance with the purchase and repair of wheelchairs, braces, communication devices, and summer camp for kids. They also fund research grants to help find treatments and cures for some 43 neuromuscular diseases that affect people of all ages, right here in our community.

I sincerely hope you will take the opportunity to support MDA. If you have any questions, please do not hesitate to contact me at (209) 298-6637 or e-mail me at dave@bayyachts.net. Even better, if you are going to be in the area stop by my "jailhouse lockup" (Outback Steakhouse) on February 13th at 2 p.m. with money to bail me out of jail.

On behalf of the families that MDA serves I, and most of all my son Kyle, thank you for your generosity.

Warmest regards, Dave Jacobs
